NEXO COMMUNICATIONS SELECTS EZ COM'S EZ BILL ASP

West Palm Beach, Florida (Jan 2006) – EZ COM Technologies, Inc. a leading provider of Billing and OSS Software for telecommunications companies, announces that Florida based service provider NEXO Communications has selected EZ BILL ASP to manage its billing and customer care for VOIP.

NEXO selected EZ COM ASP because it provided a complete solution for the current operations and the foundation for the future plans of NEXO.

“EZ COM offered us the flexibility we needed as we open markets in South America,” stated Jose Mantilla, President of NEXO.

“We are pleased to be working with NEXO,” said Bill Folchetti, President and CEO of EZ COM Technologies, “NEXO is a great example of how EZ COM ASP can make a difference for companies in today’s fast changing world, we quickly interfaced with their provider, New Global Telecom (NGT)”.
