

VOEX SELECTS EZ COM TECHNOLOGIES

West Palm Beach, Florida (May 2007) – EZ COM Technologies, Inc. a leading provider of Billing and OSS Software for telecommunications companies, announced that VOEX located in Foster City, CA, has selected EZ COM TECHNOLOGIES to continue providing its high end VOIP Carrier Rating and Customer Billing.

EZ COM was selected after a long and detailed evaluation of products available. EZ COM is capable of providing high volume CDR processing with daily invoicing and reconciliation. This was a key ingredient in the exponential growth experienced by VOEX over the past year.

“We are pleased to have VOEX as a customer,” said Bill Folchetti, President and CEO of EZ COM Technologies, “VOEX is an exciting company with tremendous growth and EZ COM is happy to be part of that”.
