## **CYTELA SELECTS EZ COM'S EZ BILL ASP**

West Palm Beach, Florida (June 4, 2004) – EZ COM Technologies, Inc. a leading provider of Billing and OSS Software for telecommunications companies, announced today that California based service provider Cytela Communications, Inc. has implemented EZ BILL ASP to manage its billing and customer care.

Cytela selected EZ COM because it provided all of the components Cytela needed to offer a full range of services to its customers.

“EZ COM ASP allows us to service and bill for LD, VOIP, Dedicated, and ISP. If its telecommunications then EZ COM can handle it”, stated Bobby Vannoy, President of Cytela Communications, Inc.

“We are pleased to be working with Cytela” said Bill Folchetti, President and CEO of EZ COM Technologies, “They are a first class company providing first class service and we are proud to be part of it”.

### About Cytela

Cytela Communications, Inc. headquartered in San Diego, California is a leading provider of international and domestic long-distance telephone services, Internet access, high-end data services, web design and hosting, and point-to-point applications. Routing domestic and international traffic for our customers through one of the largest, most technologically advanced, state of the art telecommunications switched network infrastructures in the world.
