EZ COM AND BILLING SOLUTIONS GROUP, INC. ANNOUNCE PARTNERSHIP

West Palm Beach, Florida (September 10th 2004) – EZ COM Technologies, Inc. a leading provider of Billing and OSS Software for telecommunication companies, announces that Miami based software provider Billing Solutions Group, Inc., has selected EZ COM to provide marketing and technical support for Billing Solutions in-house billing and switch software solution.

Billing Solutions selected EZ COM because of its expertise and understanding of today's telecommunications requirements. The deal gives EZ COM the exclusive right to support and market the software solution worldwide.

“We are happy to have the opportunity to add another option to our product line,” said Bill Folchetti, President and CEO of EZ COM Technologies, “If the customer wants to install the software on its in-house server then we can now provide that option”.

About Billing Solutions

Billing Solutions Group, Inc. is a high quality integrated software company with many years of experience in the local and long distance telecommunications market. Billing Solutions, is a privately held Florida Corporation, was founded in 1996 and based in Miami, Florida. The company's main activities are software development to operate an Excel switch and billing software for local service, long distance, 1010-XXX and Internet service.
