## **RAZORLINE SELECTS EZ COM'S EZ BILL ASP**

West Palm Beach, Florida (May 24 2004) – EZ COM Technologies, Inc. a leading provider of Billing and OSS Software for telecommunications companies, announces that Louisiana based service provider RazorLine has selected EZ BILL ASP to manage its billing and customer care for VOIP.

RazorLine selected EZ COM ASP because it provided a complete solution for the current operations and the foundation for the future plans of RazorLine.

“EZ COM ASP brings immediate benefit to our operation, we are a new VOIP provider and we don't need to spend precious resources dealing with billing software and hardware, with EZ COM we know all of that will be managed and available when we need it.” stated Richard Jaebert, President of RazorLine, Inc.

“We are pleased to be working with RazorLine,” said Bill Folchetti, President and CEO of EZ COM Technologies, “They are a great example of how EZ COM ASP can make a difference for companies in today's fast changing world”.

### About RazorLine

RazorLine, L.L.C. is the first Louisiana-based, Hosted PBX telephony service, bringing businesses in Louisiana a new option to traditional PBX and traditional voice solutions for their telecommunications needs. Hosted PBX telephony provides customers with financial savings and unbeatable service reliability, as well as features, functionality and enhanced applications not available with traditional technology.
